

JOURNEYS

A lot has changed since we first introduced you to *Journeys*, so we can't wait to show you something new.

Introducing *HMH Into Reading*—one place for all your K–6 ELA needs.

Grades K–6

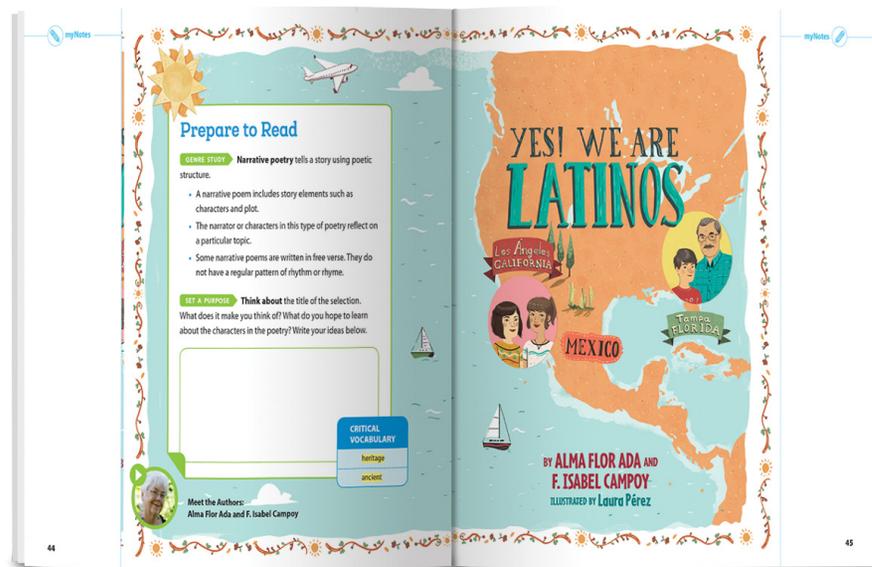

into Reading[®]

HMH Into Reading Student myBook

You shared that students like the write-in format of *Journeys* resources, so we created the *HMH Into Reading* student book.

- Designed as a write-in text for annotating and building libraries at home
- All new titles with a focus on current, engaging stories
- A treasure of authentic, award-winning fiction and nonfiction
- Text sets organized by topics for building knowledge

Support reading growth for all students with the student myBook.

HMH Into Reading and the Science of Reading

Everyone loves the Alphafriends! Introducing all new characters as part of *HMH Into Reading's* foundational skills essentials.

- Instruction built on the science behind building the reading brain.
- Lessons follow a gradual release model featuring “I Do, We Do, You Do” structure.
- Interactive Daily Lesson Slides make foundational skills lessons engaging and fun!
- Ready-made Practice Bundles on HMH Ed give teachers quick access to the printables for each day.

HMH Into Reading Spelling and Vocabulary

We're honored to have *Journeys* author Dr. Shane Templeton join us once again for *HMH Into Reading*.

- Embedded Words Their Way approach to spelling and word study
- Developmental spelling lists for individualized pathways
- Research-based vocabulary instruction and practice
- Generative vocabulary lessons to develop word-building skills

HMH Into Reading spelling word lists and word work strategies developed by Dr. Shane Templeton.

Online practice helps students build key academic vocabulary words in and across texts.

Ed: One Platform for Easy Access

First there was ThinkCentral. Now there is Ed, *HMH Into Reading's* learning platform.

- Where state standards alignment informs instruction
- For curriculum access, professional learning, and administrator support
- Where data and reports inform day-to-day learning and practice
- For family and caregiver support in English and Spanish
- Where students learn, practice, and grow!

*The benefits of MAP Growth are available to educators with active MAP Growth subscriptions.

EXCITING NEWS:

NWEA® is now part of HMH. Using NWEA MAP® Growth™* with *HMH Into Reading* gives teachers and leaders even greater insight into student performance.

Ed is one stop for professional learning, assessment, instruction, and student practice.

HMH Into Reading's Writing Workshop

We're so excited to share rave reviews for *HMH Into Reading's* Writing Workshop.

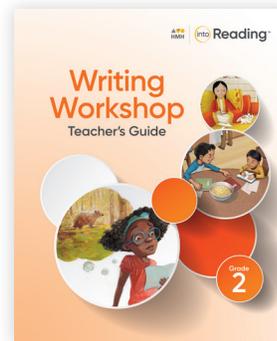

"During the evaluations, one thing that stood out with *HMH Into Reading* was how planned out the lessons were. The other thing that was a star, a gold star, was the writing piece."

Bryce Marquis, Director of Educational Programs
Jones County, North Carolina

- Program author Dr. Joyce Armstrong Carroll (founder of Abydos Learning)
- The research-based Abydos Method informs *HMH Into Reading* writing and grammar instruction
- Mentor Texts bridge reading and writing and frame the writing topics
- Real-world teacher talk and lesson examples for easier planning
- Time-saving Anchor Charts and Projectables that support students' learning

Writing Workshop mentor texts model the development of writing themes, topics, and techniques.

Teacher's Guide includes embedded professional learning focused on a stepped-out writing process.
